

Active Repertoire Sheet

"Why not try composing your own piece to add to your Active Repertoire?.."

YOUR THREE PIECES

which you enjoy and can play well:

- + play these regularly/daily
- + try to memorise them over time
- + play them for others whenever possible

REPLACEMENTS

Once you have learnt new pieces to performance standard, you might want to add them here, and remove pieces that you wish to replace.

This ensures your Active Repertoire continues to grow and develop.

ALWAYS KEEP THREE pieces of Active Repertoire that you can play:

- + without notice
- + without embarrassment
- + and without notation
