★ ACTIVE REPERTOIRE 2021 ★

★ The Aspiration List ★

- ★ Listen to plenty of music, and when you hear a piece you would love to play, add its title to the list below.
- ★ Be sure to strike a balance between pieces which inspire you, but which are manageable. Ask a mentor to advise about suitablity and offer suggestions.
- ★ Regularly check out the latest music reviews at pianodao.com/reviews for fresh repertoire ideas!

★ Active Repertoire ★

- ★ Active Repertoire pieces are performance-ready, and can ideally be played from memory.
- ★ Choose three or four Active Repertoire pieces and list them here. Continue to review your selections through the year, mixing in your favourite new pieces.
- ★ Play these pieces daily at the start of your practice, and perform them to others whenever you can.
